
CURRICULUM VITAE OF

MERVYN J. CROSS O.A.M

MBBS (Syd), MD (UNSW), FRACS

PERSONAL DETAILS

Home Address: Unit 5, 18-20 River Street
BIRCHGROVE NSW 2041

Practice Address: North Sydney Orthopaedic &
Sports Medicine Centre
286 Pacific Highway
CROWS NEST NSW 2065

Date of Birth: 3rd July 1941

Marital Status: Married with four children

Awards: Order of Australia Medal, 1995

Graduated University: February 1965, MBBS

Academic Qualifications: Sydney University
MBBS

University of New South Wales,
MD, February 1991

Professional Affiliations: Fellow, Royal Australasian College of Surgeons, October 1970

Fellow, Australian Orthopaedic Association, 1974

Honorary Fellow, Australasian College of Sports Physicians

Fellow, Australian Sports Medicine Federation

Honorary Fellow, American Orthopaedic Society for Sports
Medicine

HOSPITAL APPOINTMENTS

- 1965 Junior Resident Medical Officer, St. Vincent's Hospital, Sydney
- 1966 Senior Resident Medical Officer, St. Vincent's Hospital, Sydney
- 1967 Demonstrator in Anatomy, Sydney University
- 1968 Orthopaedic Registrar, St. Vincent's Hospital, Sydney
- 1969 Surgical Registrar, St. Vincent's Hospital, Sydney
- 1970 Surgical Registrar, St. Vincent's Hospital, Sydney
- 1971 Professorial Registrar in the Department of Orthopaedic and Traumatic Surgery, University of Sydney at the Royal North Shore Hospital, Sydney
- 1972 Orthopaedic Registrar, Royal North Shore Hospital Sydney, January-June
- 1972 Professional Registrar, Margaret Reid Orthopaedic Hospital, St. Ives, June-December
- 1973 Fellow in Sports Medicine, Tulane University, New Orleans, Louisiana and Hughston Clinic, Columbus, Georgia
- 1974 Consultant Orthopaedic Surgeon, Mater Misericordiae Hospital, Crows Nest
Honorary Orthopaedic Surgeon, Manly District Hospital
Consultant Orthopaedic Surgeon to H.M.A.S. Penguin
Clinical Assistant in Rheumatology, Royal North Shore Hospital, Sydney
- 1975 Consultant Orthopaedic Surgeon, Margaret Reid Orthopaedic Hospital
Consultant Orthopaedic Surgeon, North Sydney Community Hospital
Consultant Orthopaedic Surgeon, Mosman Community Hospital
- 1980 Consultant Orthopaedic Surgeon, Hunters Hill Private Hospital
- 1981 Honorary Orthopaedic Surgeon, Royal North Shore Hospital
- 1982 Director, North Sydney Orthopaedic & Sports Medicine Centre
Consultant Orthopaedic Surgeon, Manly District Hospital
- 1992 Honorary Orthopaedic Surgeon, Sydney Hospital
- 2001 Consultant Emeritus In Orthopaedics, Sydney Hospital

UNIVERSITY APPOINTMENTS

- 1986 Honorary Associate in the School of Physiology-Pharmacology, University of New South Wales
- 1988 Honorary Associate in School of Orthopaedics and Traumatic Surgery, University of New South Wales

RESEARCH

DIRECTOR	The Australian Institute of Musculo-Skeletal Research (AIMS)
INDEPENDENT ASSESSOR	National Health & Medical Research Council
MEMBER	Australian Orthopaedic Association Research Committee, 1987-1993

PROFESSIONAL APPOINTMENTS

NATIONAL CHAIRMAN(1989-1995)	Australian Society of Orthopaedic Surgeons
CHAIRMAN	Australian Orthopaedic Association, Trade Liaison Committee
CHAIRMAN	Mater Misericordiae Hospital, Division of Orthopaedics
CHAIRMAN	Mater Misericordiae Hospital, Accreditation Committee
CHAIRMAN	North Sydney Orthopaedic & Sports Medicine Centre
DIRECTOR	Australian Institute of Musculo-Skeletal Research (AIMS)
TREASURER (1989-1994)(1977-1983)	Australian Orthopaedic Association
GOVERNOR	Board, Museum of Contemporary Art Limited (January 1990 to June 1991)
PRESIDENT (1979)	Australian Knee Society
CONSULTANT	To the College of Sports Medicine
CONSULTANT	To the Great Britain Rugby Football League
CONSULTANT SURGEON	North Sydney Rugby League Football Club
HONORARY FELLOW	Australian College of Sports Physicians
HONORARY MEMBER	New South Wales Leagues Club
BOARD MEMBER (1977-1994)	International Society of the Knee
MEMBER	Australian Orthopaedic Association, Fellowship Accreditation Committee
MEMBER (1989-1994)	Australian Orthopaedic Association, Research Committee
MEMBER (1990-1996)	Mater Misericordiae Hospital, Board
MEMBER	Mater Misericordiae Hospital, Staff Executive Committee
MEMBER	Mater Misericordiae Hospital, Sub-Committee and Redevelopment
MEMBER	Mater Misericordiae Hospital, Advisory Committee
MEMBER	Sydney Day Surgery, Honorary Medical Board
MEMBER	Australian Rugby Football Union Ltd, Safety Committee
MEMBER	World Orthopaedic Concern
BOARD MEMBER (1999)	Mater Misericordiae Hospital
BOARD MEMBER	National Rugby League

SOCIETIES

- . Fellow, Royal Australasian College of Surgeons
- . Fellow, Australian Orthopaedic Association
- . Honorary Member, American Orthopaedic Society for Sports Medicine
- . Foundation Member Herodicus Society
- . Member, Australian Medical Association
- . Fellow, Australian College of Sports Physicians
- . Foundation Member, Australian Knee Club
- . Australian Association of Surgeons
- . Medical Guild of St. Luke
- . Australian Sports Medicine Federation Member
- . Foundation Member, Hughston Society
- . Royal North Shore Hospital Medical Association
- . Sydney Hospital
- . Member, Association for Orthopaedic Research, Scientific Board

CLUBS

- ◆ The Australian Golf Club
- ◆ Elanora Golf Club
- ◆ City Tatterstalls Club
- ◆ North Sydney Leagues Club
- ◆ North Sydney Football Club
- ◆ NSW Leagues Club

PLAYED FOOTBALL FOR:

University	1959
First Grade, South Sydney Rugby League	1960-61
First Grade, Eastern Suburbs Rugby League	1962
First Grade, North Sydney Rugby League	1963

AWARDS

1. Inaugural “Philomena Service Award” presented to Dr. Mervyn Cross for fifteen years service to the Mater Misericordiae Hospital
2. Annual Conference in Sports Medicine “Sports Medicine in Oceania”, 1993, for research project and poster presentation, “An Epidemiological Study of Knee Injuries in New South Wales, Australia”, Mike Climstein, M.J. Cross, J. Roe
3. Australian Sports Medicine Federation - Young Investigators Award “Reliability of the Dynamic Cruciate Tester”, Julie Steele, Peter Milburn, Gregory Roger, M.J. Cross
4. **Order of Australia Medal (OAM)** - 1995.
Published in “The Australian Role of Honour”

BOOKS PUBLISHED

“Clinical Examination of the Injured Knee”

M.J. Cross, K. Crichton
Harper & Row, 1987

“The Sporting Body”

M.J. Cross, N. Gibbs, J. Gray
McGraw Hill, 1991

“Aerobic Exercise and Medicine - Orthopaedic Aspects of Aerobic Exercise”

M.J. Cross
School of Physiology & Pharmacology, The University of New South Wales, 1989

“Prevention of Injuries in Sport”

Olympic Book

“Sports Medicine & Sports Injuries”

Lea & Febiger, 1993
Chapter 19: “Chronic Posterior Cruciate Ligament Instability”
M.J. Cross

“Chapter”

The Hughston Clinic Sports Medicine Book, 1995

“The Hughston Clinic Sports Medicine Field Manual”

Dr Champ, L Baker Jr,
Williams & Wilkins 1996

“Too Much Medicine”

Quotes from Dr Cross on the evidence based approach. Written by Ray Moynihan, published October 1998. ABC stores.

74. "Minimum 5-year follow up of a hydroxyapatite coated, cementless, total knee replacement in patients aged 75 years and over". Dixon P, Parish EN, Chan B, Chitnavis J, Cross MJ. J Bone Joint Surg, 86-B (2):200-4, 2004
75. "Ganglion cysts of the anterior cruciate ligament. A series of 15 cases". Parish EN, Dixon P, Cross MJ. Arthroscopy, (In Press 2004)

PAPERS PRESENTED

- 1970** "Incidence of Pulmonary Embolism and Venous Thrombosis"
A twelve-month survey at St Vincent's Hospital

Read at Vascular Study Group

“Jaundice Following Gastrectomy”
State Meeting of the Royal Australasian College of Surgeons, Australia

1971 “Surgery in Rheumatoid Arthritis”
Guest Lecturer, Mater Misericordiae Hospital
North Shore Reunion Week

1972 “Review of the Theories of the Aetiology of the Fat Embolism Syndrome”
State Meeting of the Australian Orthopaedic Association

“Hip Flexion Deformity in Cerebral Palsy. A Rational Method of Treatment by Combined Release of Adductor and Psoas Muscles”
Twelfth World Conference of Rehabilitation, Sydney

“A Twenty Year Follow-Up of Perthes Disease”
Annual Postgraduate Meeting of the NSW College of Nursing

1973 “A Review of Myositis Ossificans in the Athlete”
Atlanta Orthopaedic Association Meeting
Callaway Gardens, Georgia USA, April 1973

“Clinical Evaluation of Knee Ligament Stability”
Co-author J.C. Hughston and J.R. Andrews
International Symposium of the Knee
Rotterdam, Holland, September 1973

“The Semimembranosus Muscle”
Georgia Orthopaedic Meeting
Sea Island, Georgia USA, October 1973

“The Acute Knee in Sports”
Southern Medical Association Annual Meeting
Instructional Course Lecture in the Knee
San Antonio, Texas USA

1974 “Subluxation of the Patella in Athletes”,
XXth World Congress on Sports Medicine, Melbourne

“The Distal Insertion of the Semimembranosus Muscle”,
Co-author Lyle Norwood
The Annual Meeting of the Anatomical Society of Australia and New Zealand

“The Instant Centres of Rotation of the Knee Joint in the Weight Bearing Position”
Co-author M. McLeod
Annual Meeting on Bio Materials
Clemson University, South Carolina, USA, April 1974

“Classification of Lateral Instability of the Knee”,
co-authors J.C. Hughston and J.R. Andrews
American Orthopaedic Association

“Correlative Analysis of Knee Stability with Lesions of the Anterior Cruciate Ligament”
Australian Orthopaedic Association Annual Meeting, Townsville

1975 “Shoulder Injuries in Athletes and Management of Knee Problems in Athletes”,
Griffith Australian Postgraduate Committee Meeting

“Anterolateral Rotatory Instability of the Knee”

Australian Orthopaedic Association
NSW Branch Clinical Meeting, Wagga, April

“Current Concepts of Knee Instability”,
Royal North Shore Hospital Reunion Week

“Current Concepts of Total Knee Replacement”,
Australian Orthopaedic Association
Continuing Education Programme, Adelaide

1976 “Patellofemoral Compartment and Extensor Mechanism”
Australian Orthopaedic Association
Continuing Education Programme Meeting, Melbourne

“Anterolateral Rotatory Instability of the Knee”
General Scientific Meeting of the Royal Australasian College of Surgeons Adelaide

“Meniscal Cysts in Athletes”
Herodicus Society Meeting
The Abbey, Wisconsin

“The Intercondylar Shelf and the Anterior Cruciate Ligament”
co-author Lyle Norwood
American Orthopaedic Society for Sports Medicine Meeting
Durango, Colorado USA

“Subluxation of Major Joints in Athletes”
Prince Henry Hospital Surgical Conference

“Anatomy of Knee Revisited”
Royal North Shore Hospital Rheumatological Meeting

1977 “Sports Injuries and Their Treatment”
NSW College of Nursing Seminar

“Differential Diagnosis of Knee Injuries”
Royal North Shore Hospital Rheumatology Meeting

“Athletic Injuries in General Practice”
Coppleson Postgraduate Medical Institute Workshop in General Practice

“What’s New, Worthwhile and Innovative in Sports Medicine?”
Sir Charles Gardiner Hospital, Perth

“Something Nothing Knee”
Australian Orthopaedic Association Symposium on Management of Knee and Ankle Injuries in
Sportsmen, Perth

“Cysts and Pseudocysts of the Menisci”,
Australian Orthopaedic Association, Annual Meeting

1978 “The Effect of Arthroscopy on the Diagnosis and Management
of Knee Problems”

“Initial Diagnosis, Field Treatment and Continuing Treatment of
Acute Knee Injuries”
Department of Sports and Recreation Seminar

“Diagnosis of Rotary Instability of the Knee”,
Department of Orthopaedic Surgery, Prince of Wales Hospital

-
- 1979** “Arthroscopy - Looking Before You Leap”,
Manly District Hospital Grand Rounds
- “Cysts and Pseudocysts of the Knee Joint”,
First International Congress of the Knee, Lyon, France
- “Chronic Instability”,
Coppleson Postgraduate Course, Sports Medicine
- “Applied Anatomy of Joints”,
Physiotherapy Course, Rachel Forster Hospital
- 1980** “Functional Anatomy of the Knee”
“Subluxation of the Shoulder”
Sports Medicine Meeting
- “Classification of Patellofemoral Instability”
Australian Knee Club Meeting
- “Common Diagnostic Subjective Signs of the Acute Knee and Corresponding Reliability of Objective Tests”
Australian Physiotherapy Association
- 1981** “Long Term Follow-Up Posterior Cruciate Ligament Ruptures”,
Australian Orthopaedic Association Annual General Meeting
- 1982** “Conservative Surgery in Posterior Cruciate Ligament Ruptures”
Australian Orthopaedic Association Annual General Meeting
- “Proprioceptive Control of Knee Joint Stability”
Foundation Meeting, Hughston Society, Columbus, Georgia USA
- “Dynamic Infrapatellar Reconstruction”
Scientific Meeting, Australian Orthopaedic Association
- “Joint Subluxation of Children in Sport”
Cumberland College of Health Sciences
- 1983** “Shoulder Injuries in Rugby”
Guest Lecturer
New Zealand Federation of Sports Medicine
Christchurch
- “Patella Baja”
International Society of the Knee Meeting
Glen Eagles, Scotland
- New Zealand Orthopaedic Association Inaugural Arthroscopy Course
Guest Lecturer
Christchurch
- Inaugural Arthroscopy Workshop
St. George Hospital Skills
Laboratory
- Programme Chairman and Convener
Second Arthroscopic Workshop
St George Hospital

-
- “Acute Anterior Cruciate Ligament Repair”,
Australian Sports Medicine Federation Annual General Meeting
- “Biomechanics Patellofemoral Joint”
“Lateral Meniscus”
International Arthroscopic Association Meeting
Faculty Member
Surfers Paradise
- “Recent Advances in Knee Replacement”
“Present Place of Xenografts in Knee Ligament Surgery”
Australian Knee Club Meeting, Surfers Paradise
- Advanced Arthroscopy Course
Member Faculty
Auckland Hospital, New Zealand
- 1984** “The Anatomy and Management of Major Ligament Injuries”
Australian Sports Medicine Federation, Symposium of Knee Injury
- “Development of a Reconstructive Procedure for Anterior Cruciate Ligament Insufficiency”
Symposium of Knee Injury
- “Acute Ligament Repair”
“Chronic Ligament Repair”,
Australian Sports Medicine Federation, Symposium of Knee Injury
- “Follow-up Study of Arthroscopic Chondroplasty in Patients with Chondromalacia”
Co-author D Bokor
Australian Orthopaedic Association Annual General Meeting,
Hobart
- “Medial Meniscal Tear Including Flap, Bucket Handle and Meniscal Repair”
St George Hospital Skills Laboratory Workshop
- 1985** “The Natural History of Posterior Cruciate Ligament Ruptures”
International Society of the Knee Meeting
Symposium on Posterior Instability, Salzburg, Austria
- “The Modern Perspective in Anterior Cruciate Ligament Surgery”
Cumberland College of Health Sciences
- “Surgical Management of Knee Injuries”
Australian College of Rehabilitation Medicine
- “Non-Arthroscopic Diagnosis of Anterior Cruciate Ligament Rupture”
Australian Knee Club Meeting, Adelaide
- 1986** “Knee Pain in Athletes”
“Anterior Cruciate Surgery”
The XXIIIth World Congress of Sports Medicine
- “Experience with Anterior Cruciate Surgery”,
Eastern Society Meeting, Bay Area, San Francisco, California USA
- “Non-Arthroscopic Diagnosis of Acute Anterior Cruciate Ligament Rupture”
Eastern Society Meeting, Georgia USA
- “Patient Selection for Knee Replacement”
“Experience with Uncemented Knees”

“Theory of Meniscal Joints”
“Experience with the Ankle Joint”
“The Role of the Continuous Passive Motion Machine”

“Experience with Uncemented Hips”
“Revision Hips”
Seminar sponsored by Richards, The Entrance

“Anterior Cruciate Ruptures in Skiers”
Co-authors W. Bruce and L. Pinczewski
Australian Orthopaedic Association, Annual Scientific Meeting, Sydney

“Ligament Injuries of the Ankle”
Australian Orthopaedic Association Scientific Meeting

“Surgery for Anterior Cruciate Ligament Instability”
1986 America’s Cup Sports Medicine Symposium, Perth

“Knee, Shoulder and Ankle”
Australian Sports Medicine Federation
Chairman, Symposium

1987 “Arthroscopic Meniscectomy”
International AITROS Congress, March 1987

“Knee Injuries in Sport”
Sportsafe Seminar, Department of Sport & Recreation, May 1987

“Arthroplasty of the Glenohumeral Joint”
Australian Orthopaedic Association, Annual Scientific Meeting
Melbourne

“Dynamic Cruciate Tester”
Australian Knee Club Meeting, Melbourne

“Australian Experience with Prosthetic Cruciate Devices”
International Society of the Knee Meeting, Sydney

1988 “Result of the Dynamic Cruciate Tester”
Hughston Society Meeting, April 1988, USA

“Comparison of High and Low Pressure Suction on Post-Operative Blood Loss in Uncemented Total Knee Replacement”
Co-author M. Perko
Baulkham Hills Private Hospital
Joint Unit Meeting, June 1988

“Knee Surgery in Arthritis”
Radio Broadcasts, 2RPH, August 1988, Sydney

“Long Term Follow-up of Anterior Cruciate Ligament Repairs”,
Australian Knee Society Meeting
Cottersloe, Western Australia

“The Mechanism of Isolated Cruciate Ligament Ruptures While Performing the Cutting Manoeuvre”
Co-authors N. Gibbs and G. Bryant
Australian Orthopaedic Association
48th Annual Scientific Meeting, Perth, Western Australia

-
- 1989** “Impingement Syndromes of the Ankle”
Future Advances in Arthroscopy Seminar, December 1989
- “Classification of Anterior Knee Pain”
Future Advances in Arthroscopy Seminar, December 1989
- 1990** “Arthroscopic Repair for the Anterior Cruciate Ligament Using a Patella Tendon Graft”
Sports Physiotherapy Group Seminar, May 1990
- “Ankle Arthroplasty - Design and Experience”
St. Vincent’s Hospital Foot and Ankle Meeting, June 1990
- “Orthopaedic Aspects of Aerobic Exercise”
Launch of ‘Aerobic Exercise and Medicine’
University of New South Wales, July 1990
- “Clinical Examination and Assessment of Acute Knee Injury”
Clinical Examination and Assessment of Acute Knee, Dubbo, 1990
- “Tendon Ruptures I - Lower Limb”
Seminar for General Practitioners, North Sydney Orthopaedic & Sports Medicine Centre
- “Arthroscopic Anterior Cruciate Reconstruction”
Australian College of Sports Physicians, 5th Annual Conference
Hyatt Kingsgate Hotel
- “Bilateral Simultaneous Total Knee Replacements”
CEC Meeting, November, Sydney
- “Uncemented Tibial Revision”
Australian Orthopaedic Association CEC Meeting, November, Sydney
- 1991** “The Treatment of Medial Ligament Injuries”
Australian Orthopaedic Association CEC Meeting
Joint Instabilities, February
- “Patella Instability - Clinical Aspects”
Australian Orthopaedic Association CEC Meeting
Joint Instabilities, February
- “Design of a Knee Prosthesis”
International AFOR Course on Osteosynthesis and Joint Replacement Scientific Program,
Valbella-Lenzerheide, Switzerland, 17-23 March 1991
- “Simultaneous Bilateral Uncemented Total Knee Replacement: A Review of 66 Cases”
The Hughston Society Meeting, April 1991
- “Current Trends in Stabilisation of the Anterior Cruciate Ligament”
APA Sports Physiotherapy Group, Canberra, April 1991
- “Combined Intra- and Extra-Articular Reconstruction of the Ligament - Long Term Review”
Co-author J. Wootton
Portmeirion Gwynedd, Wales, May 1991
- “Simultaneous Bilateral Uncemented Total Knee Replacement: A Review of 66 Cases”
Southern Medical Society Meeting, Denver, August 1991
- “Uncemented Tibial Revision of the Knee”
Australian Orthopaedic Association
Annual Scientific Meeting

Christchurch 1991

“The New Knee Prosthesis”
International OSTEO Sales Meeting, Lugarno, Switzerland, November 1991

1992

“Alternative Surgical Methods in Osteoarthritis of the Knee”
International AFOR Course on Osteosynthesis and Joint
Replacement, Valbella, Switzerland, February 1992

“Indication, Constructive Consideration and Clinical Results of Unconstrained Knee
Endoprosthesis”
International AFOR Course on Osteosynthesis and Joint Replacement
Valbella, Switzerland, February 1992

“Major Tendon Injuries”
Inaugural Olympic Sports Medicine Conference
Adelaide, February 1992

“How I Managed Achilles Tendonitis”
Inaugural Olympic Sports Medicine Conference
Adelaide, February 1992

“The Knee Into the 21st Century”
The Inaugural Olympic Sports Medicine Conference,
Glenelg, South Australia, 27-29 February 1992

“Advantage of Autograft over Allograft”
ESKA, World 1st Congress in Sport, Mallorca, Spain, May 1992

“Early Management of Anterior Cruciate Injuries”
Instructional Course Forum
Australian Orthopaedic Association 52nd Annual Scientific Meeting
Hobart, 28 September - 2 October 1992

“The Results of Arthroscopic Treatment of Lesions of the Femoral Trochlea”
New Horizons in Arthroscopic Surgery, Department of Orthopaedics and Traumatic Surgery,
Royal North Shore Hospital, 9 November 1992

1993

“Revision Reconstruction of the Anterior Cruciate Knee”
Mervyn J. Cross, Michael B. Purnell
American Academy of Orthopaedic Surgeons
60th Annual Meeting
San Francisco, California USA, 18-23 February 1993

“Concepts of Total Knee Arthroplasty Design”
Joint Replacement Conference, Mater Misericordiae Hospital
Crows Nest, 27-28 November 1993

“Alternative Surgical Methods in Osteoarthritis of the Knee”,
“Indication, Constructive Considerations and Clinical Results of Unconstrained Knee
Endoprosthesis”
“Proprioceptive Control of the Knee”
International AFOR Course on Osteosynthesis and Joint Replacement
Arosa, Switzerland, 24-30 January 1993

“The ‘Lunge’ Lesion”
Co-author D.G. Morgan
The Third Congress of Knee and Orthopaedic Sports Medicine
Section of WPOA, Sydney, 8-11 September 1993

-
- “Isolated Articular Cartilage Lesions of the Femoral Trochlea - The ‘Lunge’ Lesion”
 Co-author DG Morgan
 Australian Orthopaedic Association 53rd Annual Scientific Meeting
 Knee Surgery Programme, Adelaide, 27 September-1 October 1993
- “The Inter-Cruciate Ligament”
 Co-author DG Wood
 Australian Orthopaedic Association 53rd Annual Scientific Meeting
 Knee Surgery Programme, Adelaide, 27 September-1 October 1993
- “Reliability of the Dynamic Cruciate Tester”
 Co-authors Julie Steele, Peter Milburn, Gregory Roger
 Australian Sports Medicine Federation Conference, Melbourne
- 1994** “Mobile Bearings or Not”
 “Instrumentation - the First Cut”
 “Uncemented Tibial Revision”
 Update in Knee Replacement Programme, Curzon Hall, Eastwood
- “Bilateral Simultaneous Arthroscopic Anterior Cruciate Ligament Reconstructions”
 Co-author D Sher
 State Australian Orthopaedic Association Clinical Meeting
 Newcastle, 13 May 1994
- “Knee Ligament Surgery and Knee Joint Replacement”
 New Zealand Knee Society 3rd Annual Meeting
 Queenstown, 30 September - 2 October 1994
- 1995** West Virginia State Medical Association
 128th Annual Meeting
 16-19 August 1995
- Australian Society of Orthopaedic Surgeons and Australian Orthopaedic Association, 15-20
 October 1995
- 1996** “Surgical Repair of Chronic Complete Hamstring Rupture in the Adult”
 Co-authors R Vandersluis & D Wood
 Second World Congress of Sports Medicine Orlando, Florida June 1996
- Combined Scientific Meeting, Perth, October 6-11, 1996
- “Combined Anterior & Posterior Cruciate Ligament Reconstructions”
 Co-authors D Wood, LA Pinczewski, JD Breckenridge
 Annual Scientific Meeting of the Australian Orthopaedic Association 1996
- “Surgical Repair of Chronic Complete Hamstring Rupture in the Adult”
 Co-authors R Vandersluis & D Wood
 Sydney Hopitalers, Sydney, October 21-22, 1996
- “The Effect of Hydroxyapatite on Bone-Prosthesis Interface in Total Knee Arthroplasty”
 Co-author GJ Roger
 1996 State AOA Annual Meeting - Royal Prince Alfred Hospital, 1 November
- “Ten year experience with uncemented Total Knee Arthroplasty”
 Orthopaedic Conference on Joint Replacement, 5-7 December 1996
- 1997** “10 Years of Uncemented Knee Replacement with Immediate Weight Bearing”
 “A Simple Method for Improving Tibial Post Fixation Strength During Anterior Cruciate
 Ligament Reconstruction”
 Herodicus Society Annual Meeting, June 1997

“ Mobile Bearings in TKA”
“ 10 Year Experience with Uncemented TKA”
“ Hydroxyapatite Coated Knees - 5 Year Experience”
Arthroplasty Society of Australia Conference, June 1997

“ACL Reconstruction in Elite Athletes”
“Concepts in Designing A Knee Prosthesis”
“Why Uncemented TKR - Why?”
Smith + Nephew Meeting - Sanctuary Cove
Guest Lecturer, 23 - 30 August 1997

“Elite Athletes and ACL Reconstruction - Their Clinical Outcomes”
“The effect of Hydroxyapatite on Bone-Prosthesis Interface in Total Knee Arthroplasty”57th
Annual Scientific Meeting - Australia Orthopaedic Association
12th - 17th October 1997 - Canberra

1998 “Advances in Cruciate Ligament Reconstruction”
Symposium on the Olympic Athlete
University of New South Wales, 15-16 July 1998

“Elite Athletes and ACL Reconstruction - Their Clinical Outcomes”
BOA Meeting, Dublin, October 1998

“A Prospective Comparison of Morbidity Experienced Six Months After Anterior Cruciate
Ligament Reconstruction. Patellar Ligament Verses Four Strand Hamstring.”
Co-authors Wood DG, Dunnett WJ, Holt MD, Breckenridge J, Banff M
Australian Orthopaedic Association, Queensland, 12-16 October 1998

1999 “An Unconstrained Mobile Bearing Knee Design”
“Flexion/Extension Gap: Myth or Not”
“The Effect of a Bioactive Coating on Fixation of the Cementless Total Knee Replacement” Co-
authored M Holt, N Bradbury, G Roger
“The Timing of Anterior Cruciate Ligament Reconstruction” Co-authored N Bradbury, M Holt, M
Banff
SICOT 1999, Sydney, Australia 18-23 April 1999

“Micromotion of Uncemented Tibia Components in Cadaver Tibiae: Effect of Screw Type and
Length Verses Pegs”
*Arthroplasty Society of Australia, Annual Scientific Meeting and Annual General Meeting, Noosa,
Australia, 13-16 May 1999*

“Joint Line Maintenance in TKR”
Co Author: D Cole
Australian Knee Society Annual Scientific Convention, Darwin, July 1999

“Flexion - Extension Space Balance in Knee Arthroplasty”
*Australian Orthopaedic Association, 59th Annual Scientific Meeting
Brisbane, Australia, 10 - 15 October 1999*

“Sports Injuries - A Medico-Legal Perspective”
Seminar: Medico-Legal: Understanding Soft Tissue Injury
The Laams Group, Sydney, 12 October 1999

“Arthroscopy of the Knee. New Innovations”
“How to Bill What You Are Worth - And Get It”
Orthopaedic Review Course, Terrigal 24 - 26 November 1999

2000 “The Business of Orthopaedics”
“The Knee Blunderbusts”

“Delayed ACL Reconstruction Secondary Intra-articular Pathology”
“Enhanced Fixation of Uncemented Knee Replacements with Hydroxyapatite”
“Flexion in Total Knee Replacement”
“Osteotomies Around the Knee”
“Opening Wedge HTO Workshop”
Smith & Nephew 13th Annual Winter Meeting, Queenstown, New Zealand, 5th-11th August 2000

2001 “Dysfunction of the patellofemoral mechanism: A multifaceted approach to a complex problem”
“Morphology of the distal femur” (poster presentation)
Asia Pacific Orthopaedic Association, 13th Triennial Congress Adelaide, April 1st-6th

“Kneeling after total knee replacement”
“A new technique for assessing Intra-operative femoral component rotation in total knee arthroplasty”
NSW Branch Meeting, Manly Hospital, July

“Dysfunction of the patellofemoral mechanism: A multifaceted approach to a complex problem”
“5-8 year results of an uncemented stemless hydroxyapatite coated total knee prosthesis”
AOA, Queenstown, 7th-12th October

2002 “Osteochondral lesions of the knee: Long term results of arthroscopic debridement”
“Improved fixation technique in ACL reconstruction”
“Obtaining optimal flexion with total knee arthroplasty”
“Prospective analysis of 1000 patients with hydroxyapatite coated total knee replacements”
“Juvenile ACL reconstruction”
The Knee Meeting - Darwin, 3rd-5th July

“Infected TKR. A novel technique”
“The Great Debate: Unicompartamental knee replacement”
“Knee morphology”
Arthroplasty, Trauma and Sports Injuries - Smith and Nephew, 6th-12th July

“Prospective analysis of 1000 hydroxyapatite coated total knee replacements”
International Society for Technology In Arthroplasty, Oxford, 25th-28th September

“Arthroscopic synovectomy in the infected total knee replacement”
“Deep vein thrombosis after cementless total knee replacement”
“Osteochondral lesions of the knee: Long-term results of arthroscopic debridement”
AOA, Melbourne, 13th-18th October

“Prospective analysis of 1000 hydroxyapatite coated total knee replacements”
“Ganglions of the anterior cruciate ligament”
Australian Knee Society Meeting, The Shearwater Resort, Victoria, 11th-13th October

“Enhanced fixation of uncemented knee replacement with hydroxyapatite”
“Medium term clinical results of hydroxyapatite-coated total knee replacement”
Bioceramics 15 Conference, Sydney, December 6-8th

2003 “Ganglion Cysts of the ACL: A series of 15 cases”
EFFORT – Helsinki 4-10th June

“Meniscal Injuries in Football Players”
“Repair of the anterior cruciate ligament in football players using the patellar tendon”
Football Australasia – Melbourne 23-25th September

“Comparison of outcomes in simultaneous, staged and unilateral total knee replacement”
Australian Orthopaedic Association Annual Meeting – Adelaide 12-16th October

“Tunnelling in Anterior Cruciate Ligament Reconstruction”
Australian Knee Society – Adelaide 10-11th October

- 2004 “Prospective analysis of 1000 patients with hydroxyapatite coated total knee replacements”
American Academy of Orthopaedics Surgeons – San Francisco, 10-14th March
- Combined Orthopaedic Associations Meeting – Sydney 24-29th October*

EXHIBITION AND POSTERS

- 1988 Spectrum 2000, AIMS Research Stand
- 1991 Combined Congress of the International Arthroscopy Association
and the International Society of the Knee, May 1991
1. Simultaneous Bilateral Total Knee Replacements
M.J. Cross, J. Harris, L. Tulloh
 2. Anterior Cruciate Ligament Surgery In Patients Over the
Age of 40 Years, M.J. Cross, J. Harris, B. Lantz, G. Roger
 3. The Presence of the Menisci and the Anterior Cruciate
Ligament in Knees Undergoing Total Knee Replacement,
M.J. Cross, H. Harris, E. Morgan
 4. An Epidemiological Study of Knee Injuries in NSW, Australia,
M.J. Cross, M. Climstein, Annual Conference in Sports
Medicine, “Sports Medicine in Oceania”, 1993 - Best
Conference Poster

GUEST LECTURES

- 1994 “Adolescent Knee Pain and Anterior Cruciate Ligament Injuries - Recognition and Treatment”,
Hunter Postgraduate Medical Institute, “Trauma in Sport” Seminar, 12 November 1994
- New Zealand Knee Society 3rd Annual Meeting, Queenstown,
30 September-2 October 1994
- 1995 West Virginia State Medical Association, 128th Annual Meeting,
16-19 August 1995
- 1997 “Aspects of Knee Problems - MedicoLegal Implications”
MedLaw Society, American Club, 20 March 1997
- Spoke to the Mater Misericordiae Hospital’s Nursing staff.
Part of OHS Awareness Week, March 1997
- “Total Knee Replacement”
ie. assessing the need for replacement, type of replacement, considerations.
9 November 1997
- 1998 “The Future of The Private Hospital Industry”
Private Hospitals Association of NSW Inc.

“Techniques of ACL Reconstruction - Perls and Pitfalls”
The Prince of Wales Hospital, Department of Traumatic & Orthopaedic Surgery, 13 June 1998

“Football Australasia Reducing the Injury List”
Organising Committee Member, Melbourne 22-24 July 1998
Moderator, Knee Injuries

Convenor, Mater Misericordiae Hospital Orthopaedic Conference
Moderator, “Bone & Joint Pot Pori”
Presenter, “Symposium on ACL Using Patella Tendon”
Presenter, “The Ideal Knee Prosthesis for the Next Millennium”
Mater Misericordiae Hospital Orthopaedic Conference, Sydney,
3-5 December 1998

1999 “Lessons for Occupation Medicine from Sports Medicine, Management of Knee Injuries”
The Australian & New Zealand Society of Occupation Medicine, Stanford Hotel, 7 June 1999

Australian Orthopaedic Association - Annual Scientific Meeting
Chairman, Knee Arthroplasty, 14 October 1999, Brisbane

LETTERS TO THE EDITOR

“Do Australian Doctors Know How to Handle Their Athletes?”
Australian Medicine Magazine, Vol 2, No 4, March 1990, 11

“The Encyclopedia of Rugby League Players”
Page 95

“The Australian Role of Honour”
Order of Australia Medal (OAM)- 1995.

“Practices Must Be Devoid Of Third Party Intervention”
The NSW Doctor, October 1998, Page 25

“The Medical Market Place”
AOA Bulletin, Vol 19, No 3, December 1998

“A Fair Fee”
Australian Medicine Magazine, 19 April 1999, Page 6

SURGICAL DEMONSTRATIONS

1983 Christchurch New Zealand- Inaugural Arthroscopic Association Course.

1984 Auckland, New Zealand- Arthroscopic Association.

1995 A.F.O.R. Surgical demonstration- Germany and Italy.

1997 60 Minutes, Channel 9/Bilateral TKRs - Geoff Harvey - Australia
